vs. Traditional Publishing - 2020A Guide To Digital Publishing

Digital publishers are similar to traditional publishers in that you are usually working closely with an editorial team that works for the publisher and not simply doing all the work yourself. You have to sign a contract with a digital publisher the same way you would with a traditional publisher.

A Guide to Digital Publishing – Spice Witch

In the last 20 years, an explosion of digital technology has fundamentally changed the way we interact with information. As the publishers and media producers developed their digital capabilities to serve this demand, a new kind of publishing emerged. Digital publishing is the dissemination of information via digital channels.
