Academic Writing For
Graduate Students

This edition of *Academic Writing for Graduate Students*, like its predecessors, has many special features: It is based on the large body of research literature dealing with the features of academic (or research) English and extensive classroom experience. It is as much concerned with developing academic writers as it is improving academic texts.

AWG is one of the required texts for students in my graduate-level scientific writing course. Most of the students are multilingual and are pursuing a second degree. This book helps teach them the language choices necessary for formal, academic writing. It is useful, not hard to read, and full of practical exercises.
