Administrative assistants often bear the brunt of the blame for whatever goes wrong—even if they aren't the cause of the problem.

~~5 Common challenges administrative assistants face (and ...)~~

Use the IDEAL problem solving model to ensure you are solving the right problem, says Lindsay Taylor. At times, being an Assistant can be extremely challenging. If you're the 'go to' person when things go wrong then you can feel under immense pressure to deliver and "save the day". So how do you go about [Read More](#)

Problem-solving skills help you solve issues quickly and effectively. It's one of the key skills that employers seek in job applicants, as employees with these skills tend to be self-reliant.

Problem-solving skills require quickly identifying the underlying issue and implementing a solution.
