What Is AMA Format? AMA format is a guideline for arranging and organizing your academic papers. It helps students studying health care, medicine, and nursing to present their ideas with a clear structure for their reading audiences. The American Medical Association first published the AMA Style Guide in 1962, along with the AMA Citation Guide, and they have not introduced many changes since ...

AMA (American Medical Association) - Citation and Style ...  
AMA style refers to the American Medical Association style, which is primarily used by biology and medical majors when writing papers and completing assignments. This style is often required in medical and biological journals, books and articles. It is also sometimes used for writing on other types of science and health topics.
