### **Ammonite Nicola Griffith**

Ammonite is Nicola Griffith  
's first novel, published in  
1992 (ISBN  
978-0-345-37891-0).

### **Ammonite (novel) - Wikipedia**

nicola griffith is one of  
the best writers out there  
and if you haven't read her  
books you should. the only  
book of hers that left me  
cold was the third aud  
torvingen novel, Always, and  
the reason it left me cold  
is maybe similar to the  
reason why i found that this  
book, Ammonite, lost some

steam 3/4 of the way through (it got it back before the end!).

#### **Ammonite by Nicola Griffith - Goodreads**

Highly imaginative -- Nicola Griffith has created a vivid world in which to unfold this story of a woman's journey and self-discovery. My friend describes this book as belonging to the category of "anthropological sci fi." I would also describe it as an ever-deepening story of a woman's coming home to herself.

it answered for this reader. In Ms. Griffith's *Afterward*, she addresses some of her themes explicitly. I quote, because Ms. Griffith says it better than I can. 'Women are not aliens. Take away men and we do not automatically lose our fire and intelligence and sex drive'. A society of women, in Ms. Griffith's view, is simply a society of people, with the inevitable spectrum of human behavior, bad and good.

very different ways over the years; her first two novels, Ammonite and Slow River, were both science fiction, though of very different types.

#### **Nicola Griffith | Nicola Griffith**

Nicola Griffith's Ammonite is a tale of planetary colonization with a twist. The planet GP was originally colonized centuries in the past but lost contact with Earth. The story begins after its rediscovery by a 'sinister' company only to learn that an endemic viral disease kills 100% of men and 80% of women.
