As @Holger1405 said, this sort of problem is usually the result of mis-configured speaker settings. Specifically, the device or game audio is configured to use a "Center Speaker" that doesn't exist. The music and background/sound effects play through the left/right channels just fine, but anything sent to the center channel isn't heard at all.

Take a CDL Practice Permit Test. After studying the manual, you'll next want to take at least one practice test. Similar to regular permit practice tests, CDL practice tests help you get an idea of what to expect on the real test, as well as test your knowledge so far. Your state DMV may offer practice tests in the back of the CDL manual or on ...
