Plot Summary: Sanshiro has always wanted an adventure, but on the small island where he lives, that dream seems impossible. But one day, a mysterious stranger takes him to a place called "Backwards...

*Bakegyamon (manga) - Anime News Network*

We also get a little bit of backstory for Toshio Sageusa (a boy Sanshiro nicknames "London" due to the Union Jack bandana he wears on his head); this character was introduced in the first volume of Bakegyamon. While this volume does present us some new characters and begins to provide a backstory for an already existing character, I still feel that Bakegyamon feels like a derivative manga property that’s simply taking elements from manga titles with similar themes and just adding a few ...

The shonen series Bakegyamon has entered its second volume and as the games get weirder and trickier, we see more and more of the people that have been pulled into the backwards games as well as the behind the scenes happenings on what made the backwards games possible. The emphasis is kept mostly on the games, but the deeper Sanshiro gets into ...
