1999 Geological Society Of America Gsa Bulletin Volume 111 Number 5  
Scope. The Geological Society of Norfolk exists to promote the study and understanding of geology, particularly in East Anglia. The Bulletin appears yearly and publishes original research papers, notes, discussions or comments, and review articles relevant to the geology of East Anglia as a whole, and does not restrict consideration to articles covering Norfolk alone.

premier scholarly journal, published continuously since 1890. Its first editor was William John (WJ) McGee, who was responsible for establishing much of its original style and format. Fully refereed, each bimonthly issue includes 16-20 papers focusing on the most definitive, timely, and classic-style research in all earth-science disciplines.
