Let's try to frame this problem in a recursive mindset... and to do
that, we'll define a function step which aims to take the baby from
point A to point B. The function has one parameter, `baby_location` ,
which is the baby's current location.

The sales of Baby Steps was still pretty high and Baby steps was on that time in number 3 their most sold series (only below Daiya no ace and nanatsu no taizai) and there was none negative comment about current baby steps arc.. so it really doesn't make any sense about the cancellation. I suspect there were others reasons.
