Culture clash | Definition of Culture clash at Dictionary.com
The Culture Clash is utterly unique, fascinating to the extreme and literally overflowing with oodles of useful, how-to information. Jean Donaldson's refreshing new perspective on the relationship between people and dogs had redefined the state of the art of dog-friendly dog training." -- Dr. Ian Dunbar
"Founder of the Association of Pet

Culture Clash: A Revolutionary
New Way of Understanding ...

A "culture clash" is a conflict between cultures, or a disagreement arising between two parties of different beliefs, values and practices. Criminal offences and delinquencies often arise from culture clashes.

Conflict occurs between or within cultures as an inevitable reaction to handling differences. Behavior and perception of the situation affect the likelihood of a resolution. For instance ...
