The drum has been part of my Irish culture for millennia, the sound of the drum connects us to our mother's heartbeat, her first communication with us in utero and perhaps the one we need to get back to in order to heal mother/child history. The drum is THE universal instrument, for reasons that are both known and unknown.

@Desert Lily this kind of style is for a certain woman who is not afraid to push the boundaries when it comes to fashion. She doesn't care about tradition and norms. She dances to the beat of her own drum. There are many women in America like this. This is particularly true for the woman who has decided on something simple for her day.
