After visiting a nearby bike shop to talk about it, they checked the details of the bike condition with the E-TUBE PROJECT for Windows V4. Confirming the usual way of riding from the output report, you also got advice on how to ride. Overcoming the daily inactivity with a long-lasting bike battery in the TRAIL mode allowed more use.

"Bike Bill" and Use of Highway Funds: The Oregon Legislature passed ORS 366.514, aka the Bike Bill, in 1971. The bill requires facilities for people walking and biking wherever a road, street or highway is built or rebuilt. It applies to ODOT, cities and counties and requires spending reasonable amounts of their share of the state highway fund on facilities for pedestrians and bicyclists.
