Estimating Excavation by Deryl Burch (9780834041966)

Estimating Excavation by Deryl Burch. Estimating excavation is hard - don't let anyone tell you otherwise. First, you're dealing with material that's largely hidden from view. You don't know what's down there until you start digging. Second, you're dependent on costly machines that can break down at any time.

Estimating Excavation eBook (PDF) - eBooks - Books and ...

Estimating Excavation explains, in easy-to-understand language, how to look at a set of plans, visit the job site, then estimate the amount of dirt that has to be moved. It explains how the contractor can assign costs for the labor and the equipment needed to get the job done, and how to set up and use an organized, logical estimating system that results in money-making estimates, job after job.
