First to Fight is an inside look at the reason we have a Marine Corps. At the end of World War II, there was a downsize of the military and with good reason: the over-burgeoning weight of men and women who joined the war efforts was staggering; as it came to a close, th I remember at the School of Music during my training early on in my Marine Corps

“ First to Fight ” is probably not  
what you would expect and yet it is a  
very good book. It is sort of three  
books in one. The first story is about  
the post-WWII defense reorganization  
and attempts by some to eliminate  
the Marine Corps or fold it into one of  
the other service branches.

First to Fight: An Inside View of the  
U.S. Marine Corps ...

In addition, he describes the Corps's  
relationship to other services,

especially during the unification battles following World War II, and offers new insights into the decision-making process in times of crisis. First published in hardcover in 1984, this book has remained popular ever since with Marines of every rank.

First To Fight | U.S. Naval Institute  
For example, the recruiting poster entitled “ First to Fight ” promised the opportunity not just to see combat, but also to be the first to do so. Implicit in this guarantee was the notion that sailors would not share this opportunity, even though Marines and sailors had fought side-by-side ashore for more than a century.
