The Dummies books are typically fairly good and this one is a good single source book for learning guitar. It lacks a DVD which can be very helpful for beginners but there are plenty of guitar instruction videos available on the Internet,

Online Library Guitar Theory

YouTube, etc., more than when this book was published in 2006. What this book lacks is music theory information.

Guitar Theory: Roman Numerals and the Major Scale Chord Sequence. Guitar theory reveals that the major scale is stacked in thirds to make triads and chords.

Online Library Guitar Theory

Each scale degree of the major scale produces a triad and major or minor chord. Starting with the first degree of the major scale, the chord qualities go as follows:
