Girls and Wicked Witches places these depictions within the context of Hollywood and American popular culture at the time of each film's release.

## Project MUSE - Handsome Heroes and Vile Villains

These hollow sorts of claims return again in Davis's new book—a sequel, if you will—entitled Handsome Heroes and Vile Villains, which takes as its subject the male figures in Disney's animated feature films. As it turns out, Davis displays no more aptitude for positioning these depictions in a suitable socio-historical context, eschewing research-based examinations for apologia redux, ultimately ending the book by stating: "Though Disney films are not perfect by any means, their ...
