How to Perform Self Hypnosis (with Pictures) - wikiHow

Self hypnosis is a lot easier to learn than you might think (it's actually very similar to meditation). Anyone can master it – all it takes is some practice and dedication on your behalf. It's a little like going to the gym – at first your muscles don't have much stamina, but as you continue to train, they get stronger and stronger, and what once seemed difficult, now you're
