His first drawing book was the Usborne step by step drawing animals book which I also recommend. This book is helping him go from stick figure drawings to more detailed drawings of people. The left photo was just days before receiving this book. And the right picture was his first drawing out of this book. It is a great step by step drawing book.

I Can Draw People (Usborne Playtime): Gibson, Ray, Watt ...

Even very young children will be able to achieve delightful results when they follow the clear step-by-step picture instructions in this book. Packed with attractive drawings, each double page spread shows children how to draw a different type of person, from a soccer player to a ballerina. Precise hand-control is not required, and lots of ideas for adding details and backgrounds guarantee ...
