Japanese people that live in the big cities are often EXTREMELY busy. They work enormously long hours and don't have time for casual friendships or even huge friendships with lasting importance. This is where the whole filling the role in a Japanese person's life comes into play. My one friend Yoshikun works from 8 am in the morning and doesn't ...

5 reasons foreigners find it hard to become friends with ...

Staff at busy locations such as department stores might say it thousands of times a day, each time a customer passes. At izakaya it's common for all the staff to yell "Irasshaimase!" in unison whenever a customer enters. This can have quite a dramatic effect when done right. Most Japanese businesses take this welcoming phase quite seriously.
