Curator 's Corner: Osama bin Laden with Peter Bergen

Rogue State and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address.

This first-of-its-kind collection reveals U.S. Latino/a theological scholarship as a vital terrain of study in the search for better understanding of the varieties of religious experience in the United States. While the insights of Latino/a theologians from Central and South America have gained attention among professional theologians, until now the role of U.S. Latino/a theology in the formation of North American theological identity has been largely unacknowledged. Nonetheless, the four-centuries old Latino/a presence in the United States has been forming a rich, creative, and distinctively North American Latino/a Christology. Exploring both constructive theology and popular religion, this collection of essays from top U.S. Latino/a scholars reveals the varieties of religious experience in the United States and the importance of Latino/a understandings of Christ to both academy and community.

This book continues to tell the story of the U.S. Marine Corps' involvement in what were called "Small Wars" beginning after World War II with their advisory efforts with the Netherlands Marine Corps (1943-1946); The book is a detailed look at the Marine Corps' Counterinsurgency efforts during the Korean War (1950-1953); the development of vertical assault in the late 1940s, 1950s, and 1960s in Vietnam; Marine Corps Counterinsurgency in Southeast Asia, 1962 thru 1975; involvement in Central America 1983-1989; and the current conflicts including the War on Terror, Operations Iraqi Freedom and 'Enduring Freedom', Libya; U.S. marine Corps force structure, 1980-2015, and a special chapter on marines and War Dogs in combat operations. Based on extensive research and analysis, the book illustrates the Marine Corps' contribution to the current, on-going efforts in the Middle East and Africa in combatting global terrorism.

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

"Judas is a dark journey through the murderousness of Christian Anti-Semitism, culminating in the mass slaughter of more than a and their associated European butchers. Lucid, study is close to definitive on the fictive figure of Judas."—Harold Bloom

A new thriller that takes us inside a hair-raising heist, where paranoia hangs as heavy as the tropical heat, and the only law is Murphy's. Carr—ex-CIA—is the reluctant leader of an elite crew planning a robbery of such extraordinary proportions that it will leave them all set for life. Diamonds, money-laundering, and extortion go into a timed-to-the-minute scheme that unfurls across South America, Miami, and Grand Cayman Island. Carr's cohorts are seasoned pros, but they're wound drum-tight: months before, the man who brought them together was killed in what Carr suspects was a setup. And there are other loose ends. Some of the intel they're paying for is badly inaccurate, and one of the gang—lately, Carr's lover—may have an agenda of her own. Carr finds himself “working the paranoid calculus . . . mapping the shifting landscape of who-owes-who and who-owns-who, of loyalty, grudge, and pressure” —but his biggest problems are yet to come: few of his crew are what they seem to be, and even his own past will turn out to be built on a lie. Terrifically suspenseful and psychologically complex, *Thick as Thieves* is a rare, penetrating look into the sophisticated machinations of an unparalleled crime, and Peter Spiegelman's most accomplished and galvanizing novel yet.
