The first in an unforgettable historical saga from the New York Times bestselling author of The Alice Network and The Rose Code. “So gripping, your hands are glued to the book, and so vivid it burns itself into your mind’s eye and stays with you long after you turn the final page.”—Diana Gabaldon, #1 New York Times bestselling author
First-century Rome: One young woman will hold the fate of an empire in her hands. Thea, a captive from Judaea, is a clever and determined survivor hiding behind a slave’s docile mask. Purchased as a toy for the spoiled heiress Lepida Pollia, Thea evades her mistress’s spite and hones a secret passion for music. But when Thea wins the love of Rome’s newest and most savage gladiator and dares to dream of a better life, the jealous Lepida tears the lovers apart and casts Thea out. Rome offers many ways for the resourceful to survive, and Thea remakes herself as a singer for the Eternal City’s glittering aristocrats. As she struggles for success and independence, her nightingale voice attracts a dangerous new admirer: the Emperor himself. But the passions of an all-powerful man come with a heavy price, and Thea finds herself fighting for both her soul and her destiny. Many have tried to destroy the Emperor: a vengeful gladiator, an upright senator, a tormented soldier, a Vestal Virgin. But in the end, the life of Rome’s most powerful man lies in the hands of one woman: the Emperor’s mistress.

"Cookery and Dining in Imperial Rome" by Apicius (translated by Joseph Dommers Vehling). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Describes the preparation techniques and ingredients used to prepare food in Imperial Rome, with dozens of recipes for authentic dishes from the era.

IN THE EPIC HISTORICAL NOVEL SWORD OF HONOR, DAVID KIRK CONTINUES THE SAGA OF MUSASHI MIYAMOTO, THE GREATEST SWORDSMAN IN JAPANESE HISTORY, AS HE JOURNEYS TO THE ANCIENT CITY OF KYOTO TO FIGHT FOR HIS LIFE AND HIS IDEALS. Having survived the cataclysmic battle of Sekigahara, which established the mighty Tokugawa Shogunate, young Musashi Miyamoto travels through Japan determined to proclaim his revolutionary epiphany that the “way of the samurai,” the ancient code that binds warriors to their masters, needs to be abolished. But during the battle Musashi insulted an adept of the powerful Yoshioka school, and a price has been put on his head. Musashi is drawn to Kyoto, domain of the Yoshioka, driven by anger and certain that he will deal a crushing blow to the traditional samurai dogma by destroying the school. Musashi will learn, however, that the capital of the nation is rife with intrigue and potential rebellion against the newly established government, a struggle into which he unwittingly enters. Among other outcasts, Musashi will find the worth of his spectacular skill with the sword weighed against the deep cunning of manipulative Lords, and must make his reckoning with the Yoshioka, the way of the samurai, and ultimately his own nature. Only then will he be able to take one step closer to becoming the wise old sage who wrote The Book of Five Rings. Sword of Honor seamlessly blends meticulous research, mesmerizing action sequences, and a driving narrative to bring this extraordinary figure to life.

The third edition of Online Journalism builds on the foundations of journalism to clearly show how they can be integrated into online environments. It takes the perspective that web content shouldn't be a separate component or an afterthought but instead is a vital part of story creation. From doing research to creating the web space, to posting and getting stories into the hands of users, this useful resource gives students the tools they need. Online Journalism readies readers for wherever their news careers take them, whether it's to the online portion of legacy news organizations, to online-only startups, or to blogs, news apps and beyond. Key features include a companion website, practical activities at the end of each chapter, screenshots illustrating key concepts and a Glossary.

This voyage of exploration chronicles twenty-four hours in the life of a Roman patrician, beginning at dawn on an ordinary day in the year 115 A.D., with Imperial Rome at the height of its power.

This book treats such topics as the structure of archaic Roman society; social changes from the beginning of Roman expansion to the Second Punic War; slave uprisings and other conflicts in the society of the Late Republic; the social system of the early Empire; the crisis of the Roman Empire; and late Roman society to the fall of the Empire.

The story of the medieval genius whose 1202 book changed the course of mathematics in the West and helped bring on the modern era.

In this unconventional and accessible history, Italian best-seller Alberto Angela literally follows the money to map the reach and power of the Roman Empire. To see a map of the Roman Empire at the height of its territorial expansion is to be struck by its size, stretching from Scotland to Kuwait, from the Sahara to the North Sea. What was life like in the Empire, and how were such diverse peoples and places united under one rule? The Reach of Rome explores these questions through an ingenious lens: the path of a single coin as it changes hands and traverses the vast realms of the empire in the year 115. Admired in his native Italy for his ability to bring history to life through narrative, Alberto Angela opens up the ancient world to readers who have felt intimidated by the category or put off by dry historical tomes. By focusing on aspects of daily life so often overlooked in more academic treatments, The Reach of Rome travels back in time and shows us a world that was perhaps not very different from our own. And by following the path of a coin through the streams of commerce, we can touch every corner of that world and its people, from legionnaires and senators to prostitutes and slaves. Through lively and detailed vignettes all based on archeological and historical evidence, Angela reveals the vast Roman world and its remarkable modernity, and in so doing he reinforces the relevance of the ancient world for a new generation of readers.

In this first book of a new historical fiction series, a crack Roman legion invades Britain in this brazen tale of military adventure, political intrigue and heroism It is the year 42 AD, and Centurion Macro, battle-scarred and fearless, is in the heart of Germany with the Second Legion, the toughest in the Roman army. Cato, a new recruit and the newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's Under the Eagle is destined to become a military fiction classic.
