It is credited as the basis for the theory of symbolic interactionism. Charles W. Morris edition of Mind, Self, and Society initiated controversies about authorship because the book was based on oral discourse and Mead's students notes.~~

Standpoint of a Social Behaviorist.

George Herbert Mead, Charles W. Morris (ed.) Written from the

standpoint of the social behaviorist, this treatise contains the heart of Mead's position on social psychology. The analysis of language is of major interest, as it supplied for the first time an adequate treatment of the language mechanism in relation to scientific and philosophical issues.

~~Mind, Self, and Society from the Standpoint of a Social ...~~

George Herbert Mead is widely recognized as one of the most brilliantly original American pragmatists. Although he had a profound influence on the development of social philosophy, he published no books in his lifetime. This makes the lectures collected in Mind,

Read Free Mind Self And Society From The

Self, and Society all the more remarkable, as they offer a rare synthesis of his ideas.

~~Mind, Self, and Society: The Definitive Edition: Amazon.co ...~~

Its penetrating, conversational tone transports the reader directly into Mead's classroom as he teases out the genesis of the self and the nature of the mind. The book captures his wry humor and shrewd reasoning, showing a man comfortable quoting Aristotle alongside Alice in Wonderland.
