In Me and My Family Tree, a young girl uses simple language, her own childlike drawings, and diagrams to explain how the members of her family are related to each other and to her. Clear, colorful, detailed artwork and a fill-in family tree in the back help make the parts of the family--from siblings to grandparents to cousins-- understandable to very young readers. Special offers and product ...

*My Family Tree™ - Chronoplex Software*

Your genealogy is the story of your ancestry, sometimes referred to as your family tree. The first clue to the meaning of the word genealogy is in the root "gene," as in "passed on through the genes." Add to that the suffix "-logy", which means "study," and you get genealogy, the study of one's origins. Why not write down more facts about family trees and genealogy on your family tree display ...
