Amazon.com: Customer reviews: Over My Head: A Doctor's Own ...

I'm 70 now and have mentioned to my doctor ,but still I wonder if I should be concerned. I don't have head aches. My neck and some pain in shoulders normally ache ,but again I can hear popping in my ear and neck,so I do think its arthritis . The head pain is what's concerning. Any ideas suggestions. Thanks

Sharp Pain in Head: Causes and When to See a Doctor Quickly

Usually the skull is fractured as well. As the injured vessel bleeds, blood collects in the space between the skull and the dura, the outermost of the three membranes that cover the brain. This
