Phineas P. Gage (1823–1860) was an American railroad construction foreman remembered for his improbable.19 survival of an accident in which a large iron rod was driven completely through his head, destroying much of his brain's left frontal lobe, and for that injury's reported effects on his personality and behavior over the remaining 12 years of his life — effects sufficiently ...

I ' ve been sick, but also super stressed, so I took off work today. Felt enough like a human to brave heading down to Caps practice with a friend, where we met up with @tiptoe39. It was a fun practice to watch, topped off by watching Wilson teach Sanford how to deal with people keeping on him, and do a little fighting, which was very very amusing (and our pictures/video ended up in the RMNB ...
