Saxon math is the exact opposite of those books.It requires a disciplined mind and a magnanimous dose of perseverance for a child to study math, the most disciplined and honorable subject a child can study, for 2 or more hours at a stretch.

What I Learned about Homeschooling from Saxon Math
Saxon Math has consistently been one of homeschoolers' top choices when it comes to math curriculum. Saxon's incremental approach to education has been proven to be one of the most effective teaching methods; learning pieces of information in small amounts, and then continually repeating concepts keeps information fresh and active in one's mind, preventing once-learned information from slipping away.
