Moderator of r/skyrimrequiemArchived. Requiem Survival Guide. Seeing as this subreddit is intended to help Requiem users find their way around the suddenly unforgiving land of Skyrim, I figured it might help to have a simple survival guide for newbies to reference when building a character. I won't delve into specific quests, items, or locations too much, but rather a discussion of various Requiem mechanics and their bearing on your career as an adventurer under the tyranny of the Requiem mod.

In Requiem, the main purpose of skill levels is unlocking perks and giving you the points to get them. This is best illustrated by the heavy armor skill. You can have 100 in heavy armor, but without perks, all that does is give your armor rating a minimal increase (with a full set legendary steel plate armor I have 505 armor at (skill) level 6 and 550 at level 100).
