**Snow** | Turkish: *Kar*) is a postmodern novel by Turkish writer Orhan Pamuk. Published in Turkish in 2002, it was translated into English by Maureen Freely and published in 2004. The story encapsulates many of the political and cultural tensions of modern Turkey and successfully combines humor, social commentary, mysticism, and a deep sympathy with its characters.

Snow (Pamuk novel) - Wikipedia

Village Voice " It comes as no surprise that political prescience should be yet another of the many gifts of Turkish novelist Orhan Pamuk. With *Snow*, Pamuk gives convincing proof that the solitary artist is a better bellwether than any televised think-tanker ... The work is a melancholy farce full of rabbit-out-of-a-hat plot twists that, despite the locale, looks uncannily like the magic lantern show of misfire, denial and pratfall that appears daily in our newspapers. Snow by Orhan Pamuk - Goodreads

Although it ' s set in the 1990s and was begun before 9/11, *Snow* is eerily prescient, both in its analyses of fundamentalist attitudes and in the nature of the repression and rage and conspiracies and violence it depicts. Like Pamuk ' s other novels, *Snow* is an in-depth tour of the divided, hopeful, desolate, mystifying Turkish soul. It ' s the story of Ka, a gloomy but appealing poet who hasn ' t written anything in years.
