Strategic Narrative. A common theme noticed by David MacLeod and Nita Clarke in organisations with both high levels of employee engagement and high levels of performance was a strategic narrative about the organisation, that is compelling and authentic, provided by leaders who are empowering and visible. So let's unpack that starting with the strategic

narrative.

Strategic Narrative - Engage for Success

Second, political actors attempt to use narratives strategically. Third, our communication environment fundamentally affects how narratives are communicated and flow, and with what effects. This book is about strategic narratives in the twenty-first-century media ecology.
