The Erinyes (Furies) were the three ancient Greek goddesses of vengeance and retribution who punished men for crimes against the natural order. They were particularly concerned with homicide, unfilial conduct, offenses against the gods, and perjury. They were depicted as ugly, winged women with hair, arms and waists entwined with poisonous serpents.

The analytics hate him, but I'd still love to bring Demar here. The Spurs have been winning games though, so whatever trade package would probably have to be substantial for Pop to consider throwing away crucial playoff experience for his kids. Or they could pull a Jerry West / Tobias Harris and sell high while simultaneously passing the torch.

So what's the pivot? (Beal, Lavine, or smaller moves ...
