The Affirmative Action Empire Nations
The Soviet government punished chauvinist words and deeds, but, "The Affirmative Action Empire required a constant practice of ethnic labelling and so inadvertently indoctrinated its population in the belief that ethnicity was an inherent, fundamental, and crucially important characteristic of all individuals. ... the nationality line on Soviet passports became one of the single most important factors in reinforcing the belief, and the social fact, that national identity was primordial and ...

The Affirmative Action Empire: Nations and Nationalism in ...
The original 'Affirmative Action Empire' strategy was specifically designed to prevent the emergence among the non-Russians of the subjective perception that they were living in a Russian-dominated empire, for Lenin and Stalin correctly understood that in the age of nationalism, the subjective perception of empire meant the belief that the state would eventually collapse along national lines.
