Quiz: Industrial Revolution - How it Began

While cities had their own problems (noise, disease, fire, and crowding to name a few), the Industrial Revolution and its economic boom enticed thousands of Americans to relocate to urban centers. Simply put, there were more job opportunities available in the cities than in the small farming communities in the South and the American frontier.

Quiz: Industrial Revolution - Child Labor

Welcome to the Industrial Revolution Quiz: A look back at when man first started to put machines to work for him. These machines increased output, decreased manual labor, and made things safer, all at the same time. During this time, manufacturing methods also started to change, which led to increased productivity and efficiency.
