the book was a textbook for a missions course while not necessarily being a book on missions or with a Christian perspective in mind, the information was helpful.

The Art of Crossing Cultures: 2nd Edition by Craig Storti

Whether you're in business or government, a foreign student or a foreign aid worker, The Art of Crossing Cultures describes what it's like to encounter another culture, to be thrown by it, and to make the adjustments necessary to succeed and feel at home in an overseas environment. In the book Craig Storti takes readers through the stages of cultural adjustment—from culture shock to successful adaptation—with numerous anecdotes from the world of business, diplomacy, and foreign aid.
