I'm pretty sure that my mom slept with the first boy that I ever loved. Close. 5. Posted by 1 day ago. I'm pretty sure that my mom slept with the first boy that I ever loved. This is going to be long. So get comfortable. So my first boyfriend that I loved, he was so good to me he would scoop me up in his arms and carry me, open doors for me, sing sappy songs to me, he kept me laughing, and he ...

I was so angry to this day I will never have a black friend as long as I live . I have come to hate nigs. I began sleeping with my mother out of I\*\*\* for her. She is still very beautiful and did little to resist me after my father was dead . She did nothing to provoke my advances , It was me who did everything . I wanted her so bad, I open the door while she was taking a shower and got in with ...

It is quite common for a person with dementia, especially in the later stages, to spend a lot of their time sleeping – both during the day and night. This can sometimes be distressing for the person ' s family and friends, as they may worry that something is wrong. Sleeping more and more is a common feature of later-stage dementia.
