His first novel *Il sergente nella neve*, published in 1953 (and the following year in English as *The Sergeant in the Snow*), draws on his own experience as a sergeant major in the Alpini corps during the disastrous retreat from Russia in World War II. It is his only work to be translated into English and Spanish.

Conveying Tone in a Story. Tone in writing is conveyed by both the choices of words and the narrator of the story. In Charlotte's Web by E. B. White, although the book is sad, the tone is one of peace and acceptance:.  
But I feel peaceful. Your success in the ring this morning was, to a small degree, my success.

The Story of the Stone is a homage to the girls and women Cao Xueqin knew in his youth, but it is not a simple idealisation. Based on his own interpretation of the concepts of qi (life force, energy) and qing (compassion, empathy), his psychology allowed for complex characters and his portrayal of women was quite a radical departure from earlier literature.
