In the 2016 United States presidential election, ten members of the Electoral College voted or attempted to vote for a candidate different from the ones to whom they were pledged. Three of these votes were invalidated under the faithless elector laws of their respective states, and the elector either subsequently voted for the pledged candidate or was replaced by someone who did.

Faithless electors in the 2016 United States presidential ...
The United States of America, or United States, simply known as America, the US or the USA, is a federation in North America consisting of fifty states and several overseas territories (in both the continents of North America and Oceania). Thomas visited this country a few times in Really Useful Around the World, and later in Big World! Big Adventures!, including the San Francisco Bay Railroad ...
