In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle Époque era of Continental Europe. Morally and politically, this period began with the passage of the Reform ...

Perhaps one of our more unusual historical destinations, Highgate Cemetery is a famous cemetery located in Highgate, London. The cemetery in its original form (the older, Western part) was consecrated by the Bishop of London on 20 th May 1839. It was part of an initiative to provide seven large, modern cemeteries to ring the city of London.

Here is our list of the 10 Victorian novels we at Interesting Literature think everyone should read - whether because they're great novels, because they tell us something important about Victorian society, because they stand as classics of the period, or (in most cases) all three. They're not arranged in any particular order (that would be too difficult and controversial a task!).
