### Vocabulary Power Workbook Grade 6

This workbook builds reading comprehension by reinforcing vocabulary with word puzzles, homophones and a few quick reading pages. Students will work phonics, grammar, comprehension, spelling and sight word skills.

### Vocabulary in Focus | Workbook | Education.com

This is a pretty useful vocabulary-building workbook. I think this would be helpful for any students who are taking the SAT or ACT as a prep for some words they might encounter. Each page has about 3 or 4 vocabulary words with the definition and an example of it used in a sentence, followed by a short activity (fill in, matching, etc).
