Engine Management Lamp Warning Light | Yellow | Volkswagen UK

Or did it appear while the engine was running? With ignition on: It is normal for this lamp to appear for a few seconds when the ignition is switched on to signify that the glow plugs are preheating. While the engine was running: There is a fault in the engine management system if the lamp appears constantly or flashes while the engine is running.

Diesel-Engine Management Warning Light - Volkswagen UK

Some are more serious than others. The light is connected to the car's main computer, called the engine control unit (ECU). It takes its information from sensors dotted around the engine and
