Watchers Quotes by Dean Koontz - goodreads.com
Watchers by Dean Koontz is one of my all time favorite books. I have read this story so many times over the last 30 years or so, that I have lost count of the number of times I have read it. Each time I read it, I enjoy it all over again! I bought three copies of the paperback to make sure I always had it to read.

Dean Koontz wrote a black character jiving about the pains of being a brother, like an awkward tactless tonedeaf centre dem larping as a black cop hunting baboon bigfoot. Basically I'm disappointed I don't have the paperback because at least I could clean myself after passing faeces. there could be some kind of redemption for the text in that scenario. but not now Watchers made me more stupid.
